Woodfold Roll-Up Doors - LEED® for Green Building Design and Construction 2009 Edition

LEED® (Leadership in Energy and Environmental Design) Green Building Rating Systems for New Construction, Core & Shell, and Schools are a set of performance standards for certifying the design and construction of commercial or institutional buildings and high-rise residential buildings of all sizes, both public and private. The intent is to promote healthful, durable, affordable and environmentally sound practices in building design and construction.

Listed below are the LEED® Green Building Rating System's 7 categories along with information of possible LEED® credits that our Roll-Up Doors may contribute towards:

1. **Sustainable Sites** This category does not apply to our product.
2. **Water Efficiency** This category does not apply to our product.
3. **Energy and Atmosphere** This category does not apply to our product.
4. **Materials and Resources**
 - MR Credit 4: Recycled Content**
 - Steel components - Default 25% post-consumer recycle content.
 - Precise recycle content and weights of components can be provided once order is finalized.
 - MR Credit 5: Regional Materials** This credit does not apply to our product.
 - Product manufacture location:
 - 1811 18th Ave., Forest Grove, OR 97116
 - Product components are too varied and specialized to source (extract) regionally.
 - MR Credit 6: Rapidly Renewable Materials** This credit does not apply to our product.
 - MR Credit 7: Certified Wood**
 - Woodfold is FSC Chain of Custody (COC) certified, our Cert. No. is SCS-COC-001663.
 - Our Roll-Up Doors can be specified using FSC wood, please check with customer service for current availability.
5. **Indoor Environmental Quality**
 - MR Credit 4.4: Low-Emitting Materials - Composite Wood and Agrifiber Products**
 - Our plywood hoods are CARB compliant for formaldehyde and use NAF rated material.
 - When specifying a solid wood hood there are no composite wood components.
6. **Innovation in Design** This category does not apply to our product.
7. **Regional Priority** This category does not apply to our product.

Woodfold offers green products, but just as important, we are a green company and are proud to share our efforts. Please visit <http://www.woodfold.com/about/environment.php> for more information.
